I'm not that nigga
To get caught up in wrappers and blunts
I'm not that nigga
That's believin' that you bitches is thugs

I'm not that nigga
To floss, baggin' up what my shit costs
I'm not that nigga
Trickin' dough just to stick dick to a hoe

I'm not that nigga
You catch slippin' at the bar or the club
I'll prolly got my glock off safety
Cocked then pop it, now what? Now what?

Not the nigga
To bow down to the law
I'm not that nigga
To snitch and I'm not that nigga you saw

I'm not that nigga
To switch, I keep it hard to the core
I'm not that nigga
They say they saw deep down at the store

I'm not that nigga
Takin' shorts or losses all for my profit
I'm not that nigga
That's gon' give it up 'til somebody stop me

I'm not that nigga
That's gon' kick it with too many suckas or fags
I'm not that nigga
Lockin' these groupie hoes all up in my fangs

I'm not that nigga
So don't ask if I wanna battle with rappin'
'Cause shit, you speak and whoa
Nigga you know we comin' to blast

I'm not that nigga you thought that you was after
I'm not that nigga with balls but actin' fagot

So I think you should pause, you better back up
And I think I better tell you that I ain't the one you lookin
fo'

I'm not that nigga you thought that you was after
I'm not that nigga with balls but actin' fagot
So I think you should pause, you better back up
And I think I better tell you that I ain't the one you lookin
fo'

I'm not that nigga
Fuck bitches be talkin' bullshit
I was never that nigga
For school, I'm too cool bitch

I'm that nigga
That eat that pussy with Cool Whip
Don't be a bitch
Ain't cheatin', I ain't cheatin' on you bitch

I'm not that nigga
I'm the quiet boy
I'm Private Dick Bryon boy
Ex-drug dealer slash the lion boy

I'm not that nigga
That experimented nothin' but weed
Then again I do drink
And I popped a couple of V's

Huh, I'm not that nigga
With his mind in the dark
If you don't love me I don't love you
Let me lock up the hawk

And naw, I'm not that nigga
That don't take care of the babies
Nuh-uh, I don't give a fuck
If it ain't mine, is you hungry?

And God willin'
Me and my niggaz chillin'
Not them niggaz that be trippin'
Bustin' my automatic pistol

And um, not that nigga
To God, I'm a baby
But I'm your motherfuckin' nigga
Let the world drive us crazy

I'm not that nigga you thought that you was after

I'm not that nigga with balls but actin' fagot
So I think you should pause, you better back up
And I think I better tell you that I ain't the one you lookin
fo'

I'm not that nigga you thought that you was after
I'm not that nigga with balls but actin' fagot
So I think you should pause, you better back up
And I think I better tell you that I ain't the one you lookin
fo'

Look y'all, I'm not that nigga
That you can play with
Nor that nigga
That you can toy with

I'm that nigga
That come through reppin'
And bringin' the ruckus
And really destroy shit

I'm that nigga
That do what I say and I say what I mean
I'm not that nigga
That just gon' sit back and comin' up on no green

No no, I'm not that nigga baby
I'll be that nigga to blow a pound wit'cha
Get down wit'cha, back that brown fo' a round wit'cha

I'm the type of nigga
That look in yo' eyes and see if yo' mind right
Get it every time
You right about that I'ma shine in the limelight

'Cause I'm a king
I'm not that nigga that just be tellin' you things
When I hit the scene
Every nigga on my team

Is the shit, get it right
I'm not that nigga you wanna be testin'
I'll be done opened it up
And let's 'em loose straight blast in every direction

I'm a playa not a fighter
This is a burner not a lighter
When the shit get deep I'ma start the fire
I'ma show y'all niggaz how a Thug get live

I'm not that nigga

In the game and ain't scorin'
When it's rainin' it's pourin'
I'm not that nigga and this is a warnin'

I'm not that nigga you thought that you was after
I'm not that nigga with balls but actin' fagot
So I think you should pause, you better back up
And I think I better tell you that I ain't the one you lookin'
fo'

I'm not that nigga you thought that you was after
I'm not that nigga with balls but actin' fagot
So I think you should pause, you better back up
And I think I better tell you that I ain't the one you lookin'
fo'

I'm not that nigga
Run in the club who split in in the club when it all goes
down
I'm not that nigga
Split up yo' vision, somebody in here ain't gon' spray no
rounds

I'm not that nigga
That ain't gon' be blastin when all of my Thuggstaz call
I'm just that nigga
You know that nigga that always gives it rough and raw

I'm not that nigga
Gettin' caught up none of these groupie hoes
I'm not that nigga
Out here flossin' payin' attention to none of my foes

I'm not that nigga
Better believe you owe I'm comin' for mine
I'm not that nigga
Just that nigga gettin' open, I don't mind, mind

I'm not that nigga
Just expect I got a problem, you know I check it
I'm just that nigga
Hittin' the hardest checkin' these niggaz up on this
Thug shit

I'm not that nigga
With no ammo talkin' shit and really won't lay low
I'm not that nigga
That you won't feel get in all yo' shit 'cause I'm not that
nigga

I'm not that nigga you thought that you was after

I'm not that nigga with balls but actin' fagot
So I think you should pause, you better back up
And I think I better tell you that I ain't the one you lookin
fo'

I'm not that nigga you thought that you was after
I'm not that nigga with balls but actin' fagot
So I think you should pause, you better back up
And I think I better tell you that I ain't the one you lookin
fo'

I'm not that nigga you thought that you was after
I'm not that nigga with balls but actin' fagot
So I think you should pause, you better back up
And I think I better tell you that I ain't the one you lookin
fo'

I'm not that nigga you thought that you was after
I'm not that nigga with balls but actin' fagot
So I think you should pause, you better back up
