Ladies and gentlemen, you are now about to witness  
the strength of street knowledge

Why y'all hate me mug somebody  
While you sippin' on Bacardi  
{Playa hater thats what you do} (You a hater)  
Oh my god I'm just so polish  
Why these bitches wanna holla  
{I'm just so coo thats just how I do} (I'm a playa)

[Verse 1: Wish Bone]

Hop up in this H2  
Let me show you how I do  
Big blunts big dranks get has high as you want to  
So fresh so clean never wear my drawls twice  
Lil' kids grown men wanna live my life  
When I pass by niggaz gonna see me (see me)  
When I harmonize and ladies love me  
Never brag on things that ain't right  
I ain't homeless dog that ain't my life  
And if it ain't bout no money I don't wanna be bothered  
If it ain't about no pussy bitch then poppin' my collars  
Cause I can keep you on it  
Only if you want it  
Thats how playas do (Ooh)  
I ain't gotta be in church to see Wish gleam  
I'm a thugsta but I still got the playa in me (in me)

[Hook]

[Verse 2: Layzie Bone]

See I'm the realest of the real I'm too good to be true

I'ma shine all the time nigga thats what I do  
Hut one hut two go long for the pass  
L-burn, my turn so strong on that ass  
Sippin' make 'em blast  
And the haters gonna hate  
And I ain't gettin' up from the table till I finish my plate  
I'm gettin' dressed at eight the party start at ten  
You know the drama unfold when Lay walk in  
I got Timbs on my feet fat farm on my back  
Ten stacks in my pocket whats the harm in that?  
(Nothin')  
Look at these pussy niggaz pushin' my buttons  
Seein' a nigga doin' good and they hatin' the stuntin'  
(Hey!)  
Make 'em feel it go hard at the bar  
Macin' on these chickens like a super star  
I go hard in the pain and I wish a nigga would  
See the money on the wood make the bank go good  
nigga

[Hook]

[Verse 3: Krayzie Bone]

You see me steep P.O.Ded instant-mediatly in the  
Fleetwood caddy  
Wanna pull up on the scene and screamin', "that's the  
grand daddy"  
Yo nigga wit a [?] keep a cold-o-flow doe  
Chieffin' on my blunt by the car where we be blow dro yo  
Dippin' throw the crowd niggaz hatin' on me  
Cause they party women be waitin' on me  
I don't want your broad nigga  
I'm here to kick it to get lifted fuck y'all niggaz  
I'm a raw nigga  
You might wanna see me with a lot of security guards  
I keep my security right in side of my drawls  
It's been a lot of playa hatin' on Bone  
But imma go get my chrome but bet they won't no mo  
(No mo!)  
Yo know the coldest flow thats right  
And representin' the Mid-West side  
Still in it  
To be winnin' it  
Get rid of us they'll never do  
Haters if you wanna, but we'll be two steps in front of  
you

[Hook]

I'm a playa
