[Chorus]

[Krayzie Bone & Wish Bone]:

I been so many places (all around the world)  
So many unfamiliar faces  
Oh I pray everyday (everyday)  
To keep from going crazy

I been so many places (all around the world)  
So many unfamiliar faces  
Oh I pray everyday (everyday)  
To keep from going crazy

as soon as i open my eyes  
for the first time  
i realize i gota die  
and life dont last forever  
and fast living make ya crazy

[Wish Bone]

im not really doin it for fun

and i see

and maybe we can chill out  
hit up a couple of your spots  
have some drinks and pass out  
if not bye bye  
Cuz I got another show  
Sometimes you never know  
meet up all my thugs til 10 o clock??  
and then we go??  
and then its on the next city thugs

Thats why you gotta get your hustle awwnnn

[Chorus]

[Layzie Bone]

and there some things that i ?? seen

but i seen it make the average person run quik n hide  
and u kno im down for the ride

and swallow my pride  
i hate to admit it but dog  
i live off material things is what i was after  
who would have thought by being a rapper  
all the cultures?? i capture  
i got caught up in the rapture  
assumed it was written  
?? women  
poppin this trigger  
think the whole world think of us trippin  
i dont know why and i dont know what it is  
all them crazy things i don did  
brought me closer to my kids  
no more dwellin?? by my lonely  
long story but im thorough  
me an ma dogs runnin this planet

its just us against the world  
(come on)

[Chorus]

[Bizzy Bone]  
yea niggas don really know me  
not one of ma homies  
wana control me  
control these nuts or go home??  
wana hold me  
think one of tha twins they coming for me  
Hallelujah  
only one sacred and holy  
phony love how they givin it only  
one of them thick black  
club  
tha LAPD whooping on him  
the bitch was strippin down in San Diego  
she only in it for the money  
but we all in it for something tho  
and she really loved Tony  
some thick dick yellow nigga  
he lived in the basement  
and he sell weed to the drug dealers  
run around the hood n now youre mother fukin high??  
rather die than to be caught up in deceptions and lies  
word to the wise

[Chorus]
