Bone, Bone, Bone, Bone, Bone, Bone, Bone, Bone,
Bone.

Tell me whatcha gonna do [now, tell me what . . .] when
there ain't nowhere to run,
when judgment comes for you, when judgement
comes for you?

And whatcha gonna do [now, tell me what . . .] when
there ain't nowhere to hide,
when judgement comes for you, 'cause it's gonna
come for you?

Bizzy:

Let's all bring it in for Wally, Eazy, C's Uncle Charlie,
Little Boo. God's got 'em. And I'm gonna miss
everybody I done roll
with, (flows my gauge/gang). Looked at him while he
lay. When playin' with destiny, play too deep for me to
say. Little
Layzie came to me, told me if he should decease well
then, please bury me by my Gran Gran and when you
can, come follow
me.

Layzie:

God bless you. Workin' on a plan to heaven, follow the
Lord all twenty-four-seven days. God is who we praise,
even though
the devil's all up in my face. But He's keepin' me safe
and in my place. Say grace to engage the race without
a chance to face
the Judge, sayin' again my soul won't budge. Grudge
because there's no mercy for thugs. Ooh, what can I
do? It's all about a
family and how we roll. Can I get a witness? Let it
unfold. We livin' our lives to eternal our souls. A-oh, a-
oh.

Krayzie:

Hey, and we pray, and we pray, and we pray, and we
pray everyday, everyday, everyday, everyday, and we
pray, and we

pray, and we pray, and we pray, still we lay.
Now, follow me, roll, stroll, whether it's hell or it's
heaven. Come, let us go take a visit to the people that's
long gone their rest,
Wally, Eazy, Terry, Boo. It's steady creepin' up on my
family. Exactly how many days we got lastin'? While
you laughin',
we're passin' passin' away. Now, rest y'all souls, 'cause
I know I'm a meet you up at the Crossroad. Y'all know,
you forever
got love from them Bone thugs, baby.

Wish:

Little Eazy's long gone. Really wish he could come
home, but when it's time to die, gotta go bye-bye. All a
little thug could do
is cry, cry. Why'd they kill my dog? Damn, man, I miss
my Uncle Charles, y'all. And he shouldn't be gone in
front of his
home. What they did to Boo was wrong. Oh, so wrong,
so wrong. Gotta hold on. Gotta stay strong. When the
day, comes
better believe Bone gotta shoulder you can lean on.

Hey, and we pray, and we pray, and we pray, and we
pray everyday, everyday, everyday, everyday, and we
pray, and we
pray, and we pray, and we pray everyday, everyday,
everyday, everyday.
See you at the Crossroads [Crossroads, Crossroads,
Crossroads],
so you won't be lonely.

Bizzy:

And I'm gonna miss everybody.
Long gone.

Layzie:

Livin' in a hateful world. Send me straight to heaven.
That's how we roll.
And I'm askin' the good Lord, "Why?" and sigh. He told
me we lived to die.

Krayzie:

What's up with that murder, y'all? See my little cousin
was hung. Somebody, really wrong. Everybody want to
test this dog,
and Ms. Sleazy set up Eazy to fall. You know why we
sinnin'? And Krayzie intendin' on endin' it when it ends.
Murder come
again, again, and again. Now, tell me whatcha gonna

do?

Wish:

Can somebody, anybody tell me why, hey, can
somebody, anybody tell me why we die, we die?
I don't wanna die. Oh, so wrong, so wrong, so wrong.

See you at the Crossroads [Crossroads, Crossroads,
Crossroads],
so you won't be lonely.
