Bone (9x)

Now tell me whatcha gonna do when there ain't no
where to run
When judgment comes for you, when judgment comes
for you
Tell me whatcha gonna do when there ain't no where to
hide
When judgment comes for you 'coz it's gonna come for
you

Bizy:

Let's all bring it in for Wally, Eazy sees uncle Charlie
Little Boo, God's got him and I'm gonna miss
everybody
I only roll with Bone my gang, look to were they lay
when playing with destiny, plays too deep for me to say
Lil' Layzie came to me, told me if he should decease
well then please
Bury me by my grand-grand and when you can, come
follow me

Layzie:

God bless you, working on a plan to heaven
Follow the Lord all 24/7 days, God is who we praise
Even though the devil's all up in my face
But he keeping me safe and in my place, say grace
for the case to race without a chance to face the judge
And I guessing my soul won't budge
Grudge because there's no mercy for thugs
Oh, what can I do it's all about our family and how we
roll
Can I get a witness? Let it unfold
We living our lives to eternal our soul

Krayzie:

Hey, and we pray and we pray and we pray and we
pray
Everyday, everyday, everyday, everyday.
And we pray and we pray and we pray and we pray
Still we laced, now follow me roll stroll
Whether it's hell or it's heaven

Come let us take a visit to the people's souls there long
at rest,
Wally, Eazy, Terry, Boo
It's steadily creeping up on the family
Exactly how many days we got lasting
While you laughing we're passing, passing away
So y'all go rest y'all souls
'Coz I know I'ma meet you up at the crossroad
Y'all know y'all forever got love from them Bone Thugs,
baby

Wish:
Now Eazy's long gone
Really wish he would come home
But when it's time to die
Gotta go bye-bye
All a thug could do is cry, cry
Why they kill my dog and man
I miss my uncle Charles y'all
And he shoudn't be gone, in front of his home
What they did to Boo was wrong
Oh so wrong, oh so wrong
Gotta hold on, gotta stay strong
When the day comes
Better believe bone got a shoulder you can lean on

Krayzie
Hey and we pray, and we pray, and we pray, and we
pray
Everyday, everyday, everyday, everyday
And we pray, and we pray, and we pray, and we pray
Everday, everyday, everyday, everyday

Chorus
See you at the crossroads, crossroads, crossroads
So you won't be lonely (4x)

Bizzy
And I'm gonna miss everybody
And I'm gonna miss everybody when I'm gone (3x)

Layzie
Living in a hateful world sending me straight to Heaven
That's how we roll (3x)
And I'm asking the good Lord "why?" and sigh
He told me we live to die

Krayzie:
What's up with murder y'all, see my little cousin was
hung
Somebody was really wrong, everybody want to test us

dawg

Then Miss Sleazy set up Eazy to fall, you know why we
sinning

And Krayzie intended on ending it when it ends

Murder come again, again and again

Now tell me whatcha gonna do

Wish:

Can somebody anybody tell me why?

Hey, can somebody anybody tell me why we die, we
die?

I don't wanna die

Oh so wrong, oh wrong

Chorus

See you at the crossroads, crossroads, crossroads

So you won't be lonely
