You know how we do it...Bone Bone bone Bone  
Thug....It's all about the music,  
It's all about the music.....

Hook(Krayzie & Felicia)  
Everyday.....it seems it' gettin shorter as the world turns  
round and round,  
These last days, so crazy.....oh why....everyday.  
(Felicia: everyday  
Everyday)....it seems it's gettin shorter as the world  
turns round and round,  
These last days...so crazy

Krayzie  
They tellin me crime is decreasin, then what is the  
reason for their brutality,  
Huh...they killin these niggaz in cold blood, Bone Thug  
been a part of the  
Reality, all the insanity, ain't no more humanity, what  
ever happened to  
Family, lost mine way back in the game, back when the  
crack came, it ain't too  
Much saints here today, seems like it's never gone get  
better, wonder if we'll  
Ever get to live in peace, these...days of our lives, they  
keep on gettin  
Shorter everytime that I realize that it won't be too long,  
before, we wake up  
And the world...is gone, and it won't be no...world war,  
it'll be armageddon  
For sure...for sure...for sure....
