Wannabe soldier, soldier, I done told ya, Mo Thug is
takin'
Over situations, even though it seems playa haters
everywhere
But that's an everyday thang, so I continue to stack my
green
I mean that I love it, I'm

Above it, can you feel a realer Mo Thuggish ruggish
bandit
That'll peel ya drill ya?
Can get passed that nigga Krayzie Bone, who stays
strapped
Be havin' much love for ya real strong

Got faith in God can't go wrong
Gotta hold on, headstrong, givin' up props to the
double glock
'Cause the way we kickin' it just won't stop
Mo Thuggin', always makin' shots

Everybody, hook up with somebody, we havin' a party
We out 'til we pass out
Until it be over, I'll be up, so come on over
We doin' this every day, and it's all day

So, follow me if you wanna feel the love, love
We havin' a hell of a party
Parlay, parlay, hey, this could be another wonderful

day
You figured remain, maintain, ain't changed
Mo Thug it's the same name

If we got the pops, we'll thug the block
Baby, without the shots, the shots
We can't stop, won't stop
Want to receive a everything you see a Swisha sweeta
Creep up, won't ya, fly for the sky with me? Come on,

Can you please see it's only real when you ride with
me, ride with me

We are havin' a party
(Party)
We havin' a party, we havin' a party

Blessin' all the children
And God bless all his children
We got it all for ya
(All for ya)
Freely spoken thugs in motion

Can you feelin' my magic? Lettin' ya have it
Comin' with the automatic weapon status
All of my thugs is here for your safety
Everybody be glad they had us

'Cause we so thuggish ruggish, and yo, wee good,
humble people
(Humble people)
On the grind to teach the world to be a thug in harmony
So peaceful
(Peaceful, peaceful)

And I know I can reach those, blowin' this instrumental
wide open
Makin' examples out of weak soldiers
Givin' you the real thugsta devotion
Bringin' my city with me, pin me
Everyday, It's going down in the town I stay

Come around my way, hear the beat to the thugsta
sound
With all of my peoples on their feet, now, can I get a
"Mo, Mo, Mo?" We never come weak
(Mo)
We always strong, that's how we roll, roll

It jumpin' once again, smoke is in the air
Playas from everywhere, stayin' true to the game
Ridin' real as well as prepared
Gotta my mind focused on this whole Mo Thug staff,
how we dip

And dap, lay a path, and then stay
That's how it be everyday, routine
Playa, grab your green, make 'em come clean before
You hit the scene, you know what I mean
(I know what you mean, know what you mean)

Because it's 'bout the love for it
All the way around Mo Thug puttin'
It down, wee comin' from the C-Town
Round up your soldiers, 'cause it just don't stop
It's all about Mo Thug all the way to the top

You're rollin' with Mo, so, da dum, da dum
'Cause we know how to keep it happy, classic
This is all Mo Thug
(Mo Thug)

This is all Mo Thug
(Mo Thug)
Much love
(Much love)

Thug devotion
Blessin' all the children, comin' to ya straight from
Cleveland
We got it all for you, yeah, freely spoken, thugs in
