[Chorus - Layzie Bone:]

What you see is what you get, them bone boy's raw and  
we got chips,

If ya'll act up we load them clips, put a target on that  
ass nigga we dont miss.

What you see is what you get, them bone boy's raw  
nigga we got chips,

If ya'll act up then we load them clips, wether rappin' or  
its guns nigga we do hits.

[Krayzie Bone:]

Now ima show'em how them bone thug niggas soo  
unique with the flow,

when its time to rock it they gon' know that we got  
uncut doe,

When they get to poppin niggas try to battle,

I let my magnum tag along cause if a bitch dont watch  
his tounge he gon' get rattled,

There be ash's on the family mantle,

Nigga can you really injust it, sendin' a nigga to even  
fuck with me,

Im OG nigga cleveland's finest, but niggas started a  
troop 'cause it was hard to find us,

Told them niggas little behold we got the fed's behind

and we been movin, dippin, tryin' to dodge their wires,

Decided to stay quiet let some time expire, then come  
back like a riot and reflate the fire

"Hangin' out the passenger side of my reagl aimin' at  
ya mind with a nine when i reload,

When the glock is empty then i grab my desert eagle"  
and Bop Bop Bop
