It's Christmas time
Theres no need to be afraid
At Christmas time
We let in light and we banish shade
And in our world of plenty
We can spread a smile of joy
Throw your arms around the world
At christmas time
But say a prayer
Pray for the others ones
At Christmas time
Its hard but when your having fun

Theres a world outside your window
And its a world of dread and fear
Where the only water flowing
Is the bitter sting of tears
And the christmas bells that ring out
Are the clanging chimes of doom

Well tonight thank god its them instead of you!!

And there won't be snow in Africa this Christmas time
The greatest gift they'll get this year is life
Where nothing ever grows
No rain or rivers flow
Do they know its christmas time at all?

Here's to you raise a glass for everyone
Here's to them underneath that burning sun
Do they know its Christmas time at all?

feed the world
feed the world
feed the world
(let them know its christmas time and..)
feed the world
(let them know its christmas time and..)
feed the world
(let them know its christmas time and..)
feed the world
(let them know its christmas time and...)

to fade...
