It's Christmas time, there's no need to be afraid
At christmas time, we let in light and we banish shade

And in our world of plenty, we can spread a smile of
joy!
Throw your arms around the world at christmas time

But say a prayer - pray for the other ones
At christmas time, it's hard, but when you're having fun
There's a world outside your window
And it's a world of dreaded fear
Where the only water flowing is a bitter sting of tears
And the christmas bells that ring there are the clanging
chimes of doom

Well tonight thank God it's them instead of you

And there won't be snow in Africa this christmas time
The greatest gift they'll get this year is life

Where nothing ever grows
No rain or rivers flow

Do they know it's christmas time at all?

Here's to you
Raise your glass for everyone
Here's to them
Underneath that burning sun

Do they know it's christmas time at all?

Feed the world
Feed the world
Feed the world
Let them know it's christmas time and
Feed the world
Let them know it's christmas time and
Feed the world
Let them know it's christmas time and
Feed the world
Let them know it's christmas time and

Feed the world
Let them know it's christmas time and
Feed the world
Let them know it's christmas time
I hope you like this song even though its not christmas!
