

Bone Thugs-N-Harmony Feat/ Twista "C-Town"

Visit "[C-Town](#)" on MotoLyrics.com

C-town's how we ride
Chi-town's how we ride
Midwest, how we ride
Come, see how we ride

C-town's how we ride
Chi-town's how we ride
Midwest, how we ride
Come, see how we ride

C-town's how we ride
Chi-town's how we ride
Midwest, how we ride
Come, see how we ride

Now feel the devastation and unification
Of the Thugs in the middle of the map, these *** finna
snap
Spit it for *** that bit it, then give them the business
They gonna feel it when we jack and be quick with it, be
crack

Hit it with the lyrical accuracy and harmony
I'ma see who I ain't *** with the Midwest
You could try attackin' me or bombin' me
I'ma be spittin' so fast, they wanna ask how he did
that?

Bone Thugs and we gotta spit a hard flow
It's worthy competition everywhere that I go
But ain't no messin' with Cleveland or Chicago
Ballin' through the hood in a Murcielago

Or Gallardo or Ferrari Diablo
As long as the car go quick, flow so sick
Thought it was drama between Bone and Twista
We do it like this, like this

C-town's how we ride
Chi-town's how we ride
Midwest, how we ride
Come, see how we ride

C-town's how we ride
Chi-town's how we ride
Midwest, how we ride
Come, see how we ride

C-town's how we ride
Chi-town's how we ride
Midwest, how we ride
Come, see how we ride

I'm from a place, really ain't safe, Cleveland, the
birthplace
Midwest ***, yeah, we stay thirsty
Tim's in the winter with the J's in the summer
All four seasons, we stay workin'

Ride with a G, come and slide with a G
With the true's on the Lac, we can ride to the beat
Light it up and let it burn when you vibin' with me
Gotta keep it real to survive in these streets

Come, see it for yourself how live it could be
Been walkin' to the Chi back down to the D
Michigan, Illinois, sho' nuff killa boys
Standin' on the corner at 10 degrees

We got pimps, dope pushers and petty thieves
Crooked *** cops won't let me breathe
All my love for the city won't let me leave
What they expect from me? They want the best from
me
They gonna get it, yeah

C-town's how we ride
Chi-town's how we ride
Midwest, how we ride
Come, see how we ride

C-town's how we ride
Chi-town's how we ride
Midwest, how we ride
Come, see how we ride

C-town's how we ride
Chi-town's how we ride
Midwest, how we ride
Come, see how we ride

I think it's time we show them boys how we ride
And let everybody know this where we come from

Midwest bounce, it's that bounce
That make a *** feel it when he off that ounce
Of the Mary, Mary, Mary Jane

We the *** showin' them different side of thangs
Never seen a *** that switched the rhyme this way
Now everybody run and flip they style today
Yup, it's kinda strange but

A *** got to give it up to the Midwest
Who made 'em pick up the page before they get left
Get a little bit of Twista and hit that
Roll it up with some Bone Thug, sit back

Just feel the vibe
And ya never let a player hater kill ya high
With this *** we be spittin', we gon' steal ya mind
Once again it's the Midwest side, West side

C-town's how we ride
Chi-town's how we ride
Midwest, how we ride
Come, see how we ride

C-town's how we ride
Chi-town's how we ride
Midwest, how we ride
Come, see how we ride

C-town's how we ride
Chi-town's how we ride
Midwest, how we ride
Come, see how we ride

You can tell by the way I walk
The way I flow from around here
*** Midwest where the *** ain't the best
But we came up, now we get flew from the West Coast
West Coast, baby

We flow fast, so many words in one bar
We spit it, rap it, *** better go hard
Who the underdogs? The West done done it
The East done done it, the South hard

They keep it together, together on the same level
Midwest got the weapons
It's ours here, them thugsta's, no care
We like to fight, on the West, we get right
In the East, it's about they favorite night
In the South, it's about whatever ya like

C-town's how we ride
Chi-town's how we ride
Midwest, how we ride
Come, see how we ride

C-town's how we ride
Chi-town's how we ride
Midwest, how we ride
Come, see how we ride

C-town's how we ride
Chi-town's how we ride
Midwest, how we ride
Come, see how we ride
