I gotta tell you a story about a man who split the night
Now he's comin' back to win the fight, alright

Some people hate him but a winner never quits
When he's rollin', he's a one man blitz, look out

High explosive like a keg of dynamite
His voice is roaring through the night

Here I stand on my feet again
Don't you know that I'm a champion
Here I go, so come on Rock 'n' Roll
I'm gonna show you once again...

People say he's crazy and he's up around the bend
That's what it takes to be champion

No guts, no glory, always shoot your hottest shot
You gotta strike it while you're hot, red hot

One of a kind that the world has never seen
Still movin' like he's seventeen...

Here I stand on my feet again
Don't you know that I'm a champion
Here I go, so come on Rock 'n' Roll
I'm gonna show you once again, I'm a champion

Oh oh, ooh ooh...
Alright, yeah...

Here I stand on my feet again
Don't you know that I'm a champion
Here I go, so come on Rock 'n' Roll
I'm gonna show you once again, I'm a champion

I'm a champion...
