I knew you so well or that's what I thought  
Believed it would last forever  
Somehow I know for sure, we're going our separate  
ways

Yesterday's gone - I'm out on the run  
I'm tryin' to hide my feelings  
There's no way to stick it out, our love is on the line

Gonna take love or leave love today  
But I know that I can't make you stay

Cold days - Hard times  
In my heart the rain is pourin'  
Cold days - Long nights  
Lost without you

The damage is done - We can't carry on  
'Cause something has stolen our passion  
I'm wounded in my heart, but you don't sense my pain

I can't break the ice - You loaded the dice  
I always end up losin'  
All the good times we shared are now history

Drown in dreams and in heartaches again  
Lovin' you is the name of my pain

Cold days - Hard times  
In my heart the rain is pourin'  
Cold days - Long nights  
Lost without you

Drown in dreams and in heartaches again  
Lovin' you is the name of my pain

Cold days - Hard times  
In my heart the rain is pourin'  
Cold days - Long nights  
Lost without you

Cold days - Hard times

In my heart the rain is pourin'  
Cold days - Long nights  
Lost without you
