Like a lonely wolf
Howling in the night
Calling for you

Time is passing by
And I'm feeling so sad
The wounds of love won't heal

I'm running around in circles
'Cause we don't talk anymore
Now I walk these streets alone
Straying in the night, searching for you

Give it a try for a second time
Don't you know I'm missing you
Give it a chance for a second romance
Don't you know I love you

I thought our love is strong
But now I know I was wrong
Wrong all the time

We said we'll draw the line
But it's hard to forget
All those memories

Give it a try for a second time
Don't you know I'm missing you
Give it a chance for a second romance
Don't you know I love you

Don't you know I love you...

Give it a try for a second time
Don't you know I'm missing you
Give it a chance for a second romance
Don't you know I love you

Give it a try for a second time
Don't you know I'm missing you (You know I'm missing
you)
Give it a chance for a second romance

Don't you know (don't you know) I love you

Don't you know I love you...
