Robbing, killing, fighting, whoring
Even if we swing tomorrow
Sing along, Sing along

Life like this is never boring
Let us drink to banish sorrow
Sing along, Sing along

And I say Hip Hurray - Hip Hip Hurray
Life's generous - life is free
And I say Hip Hurray - Hip Hip Hurray
Life's generous - life is free

And when we drink the whole day long
To the devil we belong
And we sing along, Sing along

When fate cuts the final cord
We shall go to our reward
And we sing along, Sing along

And I say Hip Hurray - Hip Hip Hurray

Life's generous - life is free
And I say Hip Hurray - Hip Hip Hurray
Life's generous - life is free

And I say Hip Hurray - Hip Hip Hurray
Life's generous - life is free
And I say Hip Hurray - Hip Hip Hurray
Life's generous - life is free

Fathers beaten to their knees
Mothers tearful agonies
The whining of abandoned brides
All make us laugh, split our sides

And I say Hip Hurray - Hip Hip Hurray
Life's generous - life is free
And I say Hip Hurray - Hip Hip Hurray
Life's generous - life is free
