I can relate that you're hiding your feelings
Too many times they've been makin' you sad
Girl I'm the man who won't play with your yearnings
Open up your heart babe 'cause I won't treat you bad

Deep down inside you're so hungry baby
Make up your mind 'cause we ain't livin' in sin

CHORUS

Lay your heart on the line
Don't keep it inside
'Cause love just walked into your door
Lay your heart on the line

And you'll gonna find the reason we're livin' for

Caught up in dreams, why don't you surrender
Whole lotta passion is waiting for you
What does it take to be part of your dreamin'
Love ain't just a word, c'mon open up inside

Don't loose yourself in hesitation
You gotta fight - straight from your heart - straight
From your heart

CHORUS
