There was a time  
I couldn't sleep without my prayers  
Give me a sign  
Why do I feel so damn lonely - so lonely?  
Heaven give me peace  
I feel lonely - so lonely  
Heaven help me please

Where am I going?  
Who can show me?  
How will I know it?  
Cause I'm just a refugee of fate

I'm a refugee of fate

Catch my soul  
The leaves are falling from the trees  
Leave me alone  
Because my heart is weeping lonely - so lonely  
If I could turn back time  
I feel lonely - so lonely  
Just waiting for a sign

Where am I going?

Who can show me?  
How will I know it?  
Tell me before it is too late

Where am I going?  
Who can show me?  
How will I know it?  
Cause I'm just a refugee of fate

I'm a refugee of fate

Where am I going?  
Who can show me?  
How will I know it?  
Tell me before it is too late

Where am I going?

Who can show me?  
How will I know it?  
Cause I'm just a refugee of fate

Where am I going?  
Who can show me?  
How will I know it?  
Cause I'm just a refugee of fate
