Alright!

Satisfy my hungry heart
I'm starving for your love
Now the time is right for me
We fit like hand and glove

You look dressed to kill
I wanna feel the thrill
You're like a loaded gun...

Oh no, I can't hold back
I need a backseat lover
Yeah, tonight we're breakin' out

Rock me now
Rock me now
Rock me now
Rock me now

The fever is all over me
It burns without a hurt
Last night's got a hold on me
You ring my red alert

Oh babe, I can't let go
My fire's lit below
I'm all sparks and flame...

Come on!

You got me breathing fast
You take me now or never
Yeah, tonight you can't say no

Rock me now
Rock me now
Rock me now
Rock me now

Rock me, you got me, rock me now!
Rock me, you got me, rock me now!

Rock me now
Rock me now
Rock me now
Rock me now

Rock me now
Rock me now
Rock me now
Rock me now
