Here we go just another night
With your sultry eyes
The ones that hypnotize
Yeah, you know it's getting hard to fight
You got me in your sight
I'm gonna fall tonight

You got me running everytime you call my name
I see it comin' - something I can't explain
I feel it's starting again...

Such a sweet obsession
Can't get enough
I feel the magic everytime that we touch
A sweet obsession
Comes over me
Take me to the fire, girl, set my heart free

Set my heart free...

Somethings's wrong baby deep inside
Is it you or me
I just can't decide
Is it love or is it just a game
You got control of me
I can't break the chains

I'm just a prisoner of a heartbeat loosing it's way
You got me captured, and there's nothing I can do
Nothing I can do to escape...

Such a sweet obsession
Can't get enough
I feel the magic everytime that we touch
A sweet obsession
Comes over me
Take me to the fire, girl, set my heart free

Set my heart free...

Whooahhooah!

I'm just a prisoner of a heartbeat losing it's way, yeah
You got me captured, and there's nothing I can do
Nothing I can do to escape...

Such a sweet obsession
Can't get enough
I feel the magic everytime that we touch
A sweet obsession
Comes over me
Take me to the fire, girl, set my heart free

... Can't get enough
Gotta magic everytime that we touch
A sweet obsession
All over me
Take me to the fire, girl, set my heart free...
