Now everybody, have you heard  
If you're in the game, then the stroke's the word  
Don't take no rhythm, don't take no style  
Got a thirst for killin', grab your vile, yeah

Oh!

You put your hand right out, give a firm handshake  
Talk to me... about that one big break  
Spread your ear-pollution... both far and wide  
Keep your contributions by your side and...  
Stroke me, stroke me  
Could be a winner for you move quite well  
Stroke me, stroke me  
Stroke  
You got your number down  
Stroke me, stroke me  
Say you're a winner, man you're just a sinner now

You put your left foot out, keep it all in place  
Work your way... right into my case  
First you try to beg me, you make my backbone slide  
But when you find you bled me, skip on by  
Keep on - stroke me, stroke me  
Give me the business all night long  
Stroke me, stroke me (2)  
You're so together boy  
Stroke me, stroke me  
Say you're a winner but man you're just a sinner now

(Spoken):  
Stroke

Better listen now, I ain't no joke - No!  
Let your conscience fail ya, just do the stroke  
Don'tcha take no chances, keep an eye on top  
Do your fancy dances, you can't stop, you just..  
Stroke me, stroke me (6)  
C'mon, ready  
Stroke me, stroke me  
Yeah

Stroke me, stroke me (6)

Say you're a winner, man you're just a sinner now
