Open your eyes  
What do you see?  
Is there a world here?  
Or is it just you and just me?  
Way back in the good times  
Before the darkness was here  
We looked outside  
Without any fear.

Open your eyes  
Look outside yourself x2

And now you've looked outside  
What did you find?  
Was your soul in the doorway?  
Were you leading the blind?

Were you leading the blind?  
Were you leading the blind?

Open your mind  
Look outside yourself x2

Now that you've taken your leave  
What do you hope to achieve?  
Because running away  
Will not destroy the pain  
Because running away  
Will not destroy the pain

Open your eyes  
Look outside yourself x2
