Chris Martin:

It's Christmastime, there's no need to be afraid  
At Christmastime, we let in light and we banish shade

Dido:

And in our world of plenty we can spread a smile of joy  
Throw your arms around the world at Christmastime

Robbie Williams:

But say a prayer, Pray for the other ones  
At Christmastime it's hard, but when you're having fun

Sugababes:

There's a world outside your window  
And it's a world of dread and fear

Fran Healy:

Where the only water flowing

Fran Healy & Sugarbabes:

Is the bitter sting of tears

Fran Healy & Justin Hawkins:

And the Christmas bells that ring there are the clanging  
chimes of doom

Well tonight thank God it's them instead of you

Will Young & Jamelia:

And there won't be snow in Africa this Christmastime  
The greatest gift they'll get this year is life

Where nothing ever grows  
No rain nor rivers flow

Do they know it's Christmastime at all?

Tom Chaplin (Keane):

Here's to you

Justin Hawkins (Darkness):  
Raise a glass for everyone

Dizzee Rascal:  
Spare a thought this yuletide for the deprived  
If the tables turned would you survive

Here's to them

Underneath that burning sun

You ain't gotta feel guilt just selfless  
Give a little help to the helpless
