What made you go away?
How could you sentence me to stay?
No longer than a day
No Goth I said NO WAY

Do you remember all the whispers in your ear?
THOSE WERE THE ONLY LIES I WANTED YOU TO HEAR
Those were the Lies that kept you Near

Old woman take my hand
You keep me BLIND to where I'm at
Now look into my hat
Now Look into my lap
Now look into my blackness
Look into my mind

So now you offer tiny conversation
Come be my New Infatuation
You'll be my New Relfection
