So she's back at the door  
Cryin like she aint done a thing before  
And she's tryna talk me out of  
Doing what I know I gotta  
Fallin to the floor  
I love her but I can't take this shit no more  
But I can't live without her

And my heart says...

Maybe she's sorry  
Everyone tells me  
If I take her back she's gonna do it again  
But maybe she loves me  
Maybe she means it  
How do I know?  
How do I know?

Maybe she's...

I wish that I didn't see  
All the good times and the memories  
Every time I get around her  
And it's like I can't do this without her  
But this aint like me  
Waiting by the phone I mute the TV  
And the quiet's getting louder  
Got a call to come...

Maybe she's sorry  
Everyone tells me  
If I take her back she's gonna do it again  
But maybe she loves me  
Maybe she means it  
How do I know?  
How do I know?

And I know I'd be living a lie  
If I choose to believe her this time  
How's it go?  
Shame on me  
Fool me twice

But I can't check this feeling inside...

Maybe she's sorry  
Everyone tells me  
If I take her back she's gonna do it again  
But maybe she loves me  
Maybe she means it  
How do I know?  
How do I know?  
How do I know?  
How do I know?
