Broken hearts
better try it together

I'll be there if you ever need me.
Oh
I know good things don't last forever

I will wait as long as you care.
Come take my heart
come take my soul

baby
my heart is your home.

A cry in the night
my love
my heart is for you

there's no mountain high enough to keep me from you.
A cry in the night
my love
please don't let me go

one night is not enough
that's one thing I know.

See the flame of your love
light the fire

You're nobody till someone loves you.
Some hearts die in the flame of desire

can't you see my heart's missing you ?
Come take my heart
come take my soul
baby
you've got control.

A cry in the night
my love
my heart is for you

there's no mountain high enough to keep me from you.
A cry in the night
my love
please don't let me go

one night is not enough
that's one thing I know.

A cry in the night
my love is for you
there's no mountain high
enough.
