I don't regret it
Hey you can bet it
Boy you got me
Where I want to be
I can't deny it
'cause once I tried it
I'm in love boy
It's something I can't hide
CHORUS
Lovestruck,lovestruck
Took me by surprise
Make me feel right,feel alive
When I'm by your side
Baby lovestruck,lovestruck
Fill my life with joy
With good times,fun times
You bring me to ecstasy
(bring me to ecstasy)
Can't shake the feeling
You've got me reeling
With a fever boy
A breakthrough to my soul
Too strong to fight it
It's love's reaction in a motion
Two hearts become one
Baby,lovestruck,lovestruck
I feel electricified
Makes me feel good,feel loved
Looking in your eyes
Uuh lovestruck,lovestruck
It's so good to be true
With these good times,fun time
You make me come alive
I cherish the moment
That we spend together
Twentyfour hours a day
Memories that thrill me
Living through your heartbeat
I'll never ever be the same
(Repeat Chorus)
(Lovestruck,love,lovestruck)
