"Miss You So"

I look across the water
a picture comes to mind

Of days when we were wiser
now washed up with the tide.
Now I miss you so
whoa
now I miss you so!

I feel the wind around me
certain it calls my name

The whispered way that you did now drowned out by
the rain.
Now I miss you so
whoa
boy
I miss you so!

Take me back to waters and let me ride the wind

If it's all that I can have to love you once again.
Let me have illusions
they're keeping me alive

If it's all that I can have
I'll love you in my mind.

Fly with broken wings
fly with broken wings

fly with broken wings!

Feel like a desperado worn-out from the run

Crossing every border to find out that you're gone.
Now I miss you so
whoa
boy
I miss you so!

Take me back to waters and let me ride the wind

...

Fly with broken wings
fly with broken wings

Fly with broken wings
fly with broken wings

Fly with broken wings
fly with broken wings!
