You came into my life
wishing you'd be there

Just waiting for me
yes you were
yes you were.
You taught me how to love
taught me how to care

So tenderly
yesterday
yesterday.

My first love
always and forever
you are my
my desire.
My first love
no one could ever take me away from your side.
And all the love I have 's for you
for you!

You know that I love you
you know how much I care
For every moment spent with you
just with you.
You taught me how to love
taught me how to care

So tenderly
yesterday
yesterday!

My first love
always and forever
you are my
my desire. . . .
My first love
always and forever
you are my
my desire. . . .
