I saw a break in your armor  
Saw you through the open door  
Scattered pieces broken on the floor  
But I know, I know you're a runaround  
Running around with your broken wings  
Broken wings and crown but you waste it on this town  
So come on baby, just give it up to me.

But you give up for everything  
Give it up to me  
Don't you give up on anything  
C'mon Give It Up to Me

I came down from this castle  
Just to wait outside your door  
Cause I heard you singing  
Singing your heart out til your throat was sore  
Here I am, I'm the one you're looking for.

But you see me for everything  
So sing out for me  
Sing one for me  
Don't you give up on anything  
C'mon give it up to me

Oh you're wild, wild, wild restless soul  
But you ain't no angel, no, no  
There's no ruby red as the fire you hold.  
And I want you, your fire and your gold.

Cause you give up on everything  
Just give it up for me,  
Give it up for me.  
And don't you give up for anything  
Oh don't' you give up for anything  
Oh don't you give up for anything  
C'Mon give it up to me  
Give it up to me.
