Gotta give in, gotta give in
Gotta give in, gotta give in
Gotta give in, gotta give in
Gotta give in, gotta give in

This thing is just beginning
But it's beginning to get to me
But I don't know 'bout you, boy
But speaking just for me

If you don't wanna lose this
Feeling between me and you
Well, don't let go and
I think you know

We got to give in to love
We got to give in to love
We got to give in to love
We got to give in to love
Oh, baby, baby, baby

Gotta give in, gotta give in
Gotta give in, gotta give in

Well, you know just
What I'm thinking
I'm thinking I made it clear
And now it's up to you, boy
Just how far we go from here

If you don't wanna lose this
Feeling between me and you
Hey, don't let go
'Cause I think you know

We got to give in to love
We got to give in to love
We got to give in to love
We got to give in to love
Oh, baby, baby, baby

Gotta give in, gotta give in

Gotta give in (yeah, yeah, my baby)
Gotta give in
(Oh, I need your loving, honey)

Gotta give in
(Give it all to me, baby)
Gotta give in
Gotta give in, gotta give in

Oh, give it up now
Give it up to me, baby
Oh, I need, I need it

(Gotta give in)
I, I, I want all your love
(Gotta give in)
Oh, give it to me, baby
(Gotta give in)
Yeah, uh, oh, yeah

(Gotta give in)
Oh, oh, it feels so good, yeah
(Gotta give in)

If you don't wanna lose this
Feeling between me and you
Oh, don't let go
And I think you know

We got to give in to love
We got to give in to love
We got to give in to love, yeah
We got to give in to love
Oh, baby, oh, yeah
Listen to me, baby

We got to give in to love
We got to give in to love
We got to give in to love
(Hey) got to give in to love

Got to give in to love
Got to give in to love
(Oh, you know I need it)
Got to give in to love
(I always want it)

Got to give in to love
(It feels, feels so good, baby)
Got to give in to love...
