I never knew it, I never asked,  
I didn't care then, it happened so fast.  
I never noticed, I never tried,  
Cause I had no intrest, no wasted time.

One thing I wish most of all was your happiness  
Whatever you want, I hope you get.

I think I saw you on the TV, heard you on the radio  
Maybe in the movies, now your a celebrity.  
Saw you on the TV, heard you on the radio  
Maybe in the movies, now your a celebrity.

If I was nicer, back in the day  
Is there a chance now, that you'd know my name?  
Never expected you to become, the centerfold of my  
attention.

One thing I wish most of all was your happiness  
Whatever you want, I hope you get.

I think I saw you on the TV, heard you on the radio  
Maybe in the movies, now your a celebrity.  
Saw you on the TV, heard you on the radio  
Maybe in the movies, now your a celebrity.

I think I saw you on the .. on the  
TV, Radio, Movies, celebrity  
TV, Radio, Movies

I think I saw you on the TV, heard you on the radio  
Maybe in the movies, now your a celebrity.  
Saw you on the TV, heard you on the radio  
Maybe in the movies, now your a celebrity.

Celebrity.
