You know just how to piss me off
You know exactly where to push
If I told you once I told you twice
Would it be so hard to compromise?
Be to much for me to ask?

CHORUS

Now this is me begging
Its me who's been letting you
Get to me, get to me
I'll get to you for screaming shouting
This is me begging
You have been making it get to me get to me
I'll get to you

You know the right time to be wrong
You know just when I've had enough
But instead of stopping you'll get bored
Now it couldn't be harder to ignore
Would it be to much for me to ask?

CHORUS

If I told you once I told you twice
Would it be so hard to compromise?
Will it be too much to ask?
Will it be too much to ask?

CHORUS

..get to you..
..to you..
I'll get to you
