Don't give up, you see the outside world is watching,
Don't give up, there are better days ahead,
Don't give in, when you see the storm clouds rolling in,
You know the sun will shine again,
Surrounded by a cloud of witness who say, Don't give up.

Don't give up, you see the Lord is watching,
Don't give up, He knows how far there is to go,
Don't give in, you know every opportunity is a chance to
see God's victory,
These trials are temporary you will see, Don't give up.

Hold on, forget what lies behind, Hold on, take time
renew your mind,
Hold on, and press on for the prize of the call of God in
Christ.

Don't give up, just hold your head up higher,
Don't give up, His love will be your guide,
Don't give in, you're a child of the mighty King,
forgiven of everything,
This hope of life is yours to live today, Don't give up.
