Mister Fire Eyes
From the start stole my heart
Not just part but all my heart
Mister Fire Eyes

I'm up and down like a clown
Running round and around over you

Tell me why I start to churn
My cheeks will burn
I get concerned
My lips stay yearned
For a kiss from you

Oh, tell me what to do
With this wonderful desire
My fever's getting higher
You set my heart on fire
Mister Fire Eyes

Mister Fire Eyes
Here's some tips
I'm doing flips
To steal some trips
To your sweet lips
Mister Fire Eyes

Love is rare, it isn't fair
Unless we make a natural pair
Say it's true

I ask you
Make your stand by the band
Put it on my waiting hand
'Cause I love you true

Oh, tell me what to do
With this wonderful desire
My fever's getting higher
You set my heart on fire
Mister Fire Eyes
