When I asked you for my freedom

Little did I know

That I'd long for chains to bind me

I left the arms I needed so

Baby, why'd you let me go

Now I'm begging and I'm pleading

Just to be tied down

To the love I thought was shackles

You mean more than all I've found

Come and wrap your arms around me

Darling

Won't you free me from my freedom

Darling

Put love's chains back on me

Darling

Come and free me from my freedom

Without love I can be free

I don't wanna be

Come and take me, love, and put me

Put me under lock and key

Let the walls of love surround me

Put a ball and chain on me

And love me tenderly

Once I left for greener pastures

But the grass was stone

Ooh, if you pave your way to glory

The road leads back to home

Don't make me wait too long

Darling

Won't you free me from my freedom

Darling

Put love's chains back on me

Darling

Free me from my freedom

Without love I can be free

I don't wanna be

Darling

Come and free me from my freedom

Darling

Put love's chains back on me

Darling

Free me from my freedom

Without love I can be free

But I don't wanna be

Now, now, now, darling

Tie me to a tree

Handcuff me

Darling

Tie me to a tree

Handcuff me

Darling

Tie me to a tree

Handcuff me

Tie me to a tree

Handcuff me

Tie me to a tree

Handcuff me

Darling

Tie me to a tree

(Free me from my freedom)

Handcuff me

Darling

Tie me to a tree

(Put a chain on me)

Handcuff me

Darling

Tie me to a tree

(Free me from my freedom)

Handcuff me

Without love I can be free

(Tie me to a tree, handcuff me)

(Tie me to a tree, handcuff me)

But I don't wanna be

Darling

Tie me to a tree

(Free me from my freedom)

Handcuff me

Darling

Tie me to a tree

(Put love's chains back on me)

Handcuff me

Darling

Tie me to a tree

(Free me from my freedom)

Handcuff me

Without love I can be free

(Tie me to a tree, handcuff me)

(Tie me to a tree, handcuff me)

Darling

Tie me to a tree

Handcuff me

Darling

Tie me to a tree

Handcuff me
