Sugarpie, honeybunch

You know that I love you (love you)

I can't help myself

I love you and nobody else

In and out my life

(In and out my life)

You come and you go

(Come and you go)

Leaving just your picture behind

And I've kissed it a thousand times

When you snap your fingers

Or wink your eye

I come running to you

I'm tied to your brain strains

And there's nothing that I can do

Oh, Sugarpie, honeybunch

(Sugarpie, honeybunch)

I'm weaker than a girl should be

(Girl should be)

I can't help myself

I'm a fool in love, you see

Wanna tell you I don't love you

Tell you that we're through

And I've tried

But every time I see your face

I get up all choked up inside

Oh, sugarpie, honeybunch

(Sugarpie, honeybunch)

You know that I love you (love you)

I can't help myself

I love you and nobody else

When I call your name

Boy, it starts a flame

Burning in my heart

Tears it all apart

No matter how I try

My love I can't hide

Oh, sugarpie, honeybunch

(Sugarpie, honeybunch)

I'm weaker than a girl should be

(Than a girl should be)

I can't help myself

I'm a fool in love, you see

(Can't help it)

(Girl can't help it)

Wanna tell you I don't love you

Tell you that we're through

And I've tried

But every time I see your face

I get up all choked up inside

(Can't help it)

(Girl can't help it)

Oh, sugarpie honeybunch

(Sugarpie honeybunch)

You now that I'll wait for you

(Wait for you)

Can't help myself

I love you and nobody else

(Can't help it)

(Girl can't help it)

Sugarpie, honeybunch

Sugarpie, honeybunch

Can't help it

Can't help it

Girl can't help it

Sugarpie, honeybunch

Sugarpie, honeybunch

Can't help it

Can't help it

Sugarpie, honeybunch

I'm weaker than a girl should be

I can't help myself

I'm a fool in love, you see

Sugar, oh, oh, oh, yeah

I can't help myself

No, I can't help myself

Sugarpie, honeybunch

You know that I love you
