Turnaround

Every now and then I get a little bit lonely
And you're never coming round.

Turnaround

Every now and then I get a little bit tired
Of listening to the sound of my tears.

Turnaround

Every now and then I get a little bit nervous
That the best of all the years have gone by.

Turnaround

Every now and then I get a little bit terrified
And then I see the look in your eyes.

Turnaround bright eyes

Every now and then I fall apart.

Turnaround bright eyes

Every now and then I fall apart.

Turnaround

Every now and then I get a little bit restless
And I dream of something wild.

Turnaround

Every now and then I get a little bit helpless
And I'm lying like a child in your arms.

Turnaround

Every now and then I get a little bit angry
And I know I've got to get out and cry.

Turnaround

Every now and then I get a little bit terrified
But then I see the look in your eyes.

Turnaround bright eyes

Every now and then I fall apart.

Turnaround bright eyes

Every now and then I fall apart.

And I need you now tonight

And I need you more than ever

And if you'll only hold me tight we'll be holding on
forever

And we'll only be making it right cause we'll never be
wrong together

We can take it to the end of the line.

Your love is like a shadow on me all of the time

I don't know what to do and I'm always in the dark.
We're living in a powder keg and giving off sparks.
I really need you tonight - forever's gonna start tonight

Forever's gonna start tonight.
Once upon a time I was falling in love but now I'm only
falling apart.
There's nothing I can do - a total eclipse of the heart.
Once upon a time there was light in my life
But now there's only love in the dark.
Nothing I can say - a total eclipse of the heart.
Turnaround bright eyes
Turnaround bright eyes.
Turnaround
Every now and then I know you'll never be
The boy you always wanted to be.
Turnaround
But every now and then I know you'll always be
The only boy who wanted me the way that I am.

Turnaround
Every now and then I know there's no one
In the universe as magical and wonderous as you
Turnaround
Every now and then I know
There's nothing any better and there's nothing that I
just wouldn't do.
Turnaround bright eyes
Everynow and then I fall apart.
Turnaround bright eyes
Everynow and then I fall apart.
And I need you now tonight
And I need you more than ever
...
Once upon a time I was falling in love but now I'm only
falling apart...
A total eclipse of the heart
A total eclipse of the heart.
Turnaround bright eyes
Turnaround bright eyes
Turnaround.
