If you twist and turn away.  
If you tear yourself in two again.  
If I could, yes I would  
If I could, I would let it go.  
Surrender, dislocate.

If I could throw this lifeless life-line to the wind.  
Leave this heart of clay, see you walk, walk away  
Into the night, and through the rain  
Into the half light and through the flame.

If I could, through myself, set your spirit free  
I'd lead your heart away, see you break, break away  
Into the light and to the day.

To let it go and so to find a way.  
To let it go and so to find a way.  
I'm wide awake.  
I'm wide awake, wide awake.  
I'm not sleeping.

If you should ask, then maybe  
They'd tell you what I would say  
True colours fly in blue and black  
Blue silken sky and burning flag.  
Colours crash, collide in blood-shot eyes.

If I could, you know I would  
If I could, I would let it go.

This desperation, dislocation  
Separation, condemnation  
Revelation, in temptation  
Isolation, desolation  
Let it go and so to find a way  
To let it go and so to find a way  
To let it go and so to find a way

I'm wide awake, I'm wide awake, wide awake  
I'm not sleeping  
Oh no, no, no.
