As long as the night is coloured  
Blue and black  
Oh yeah yeah yeah  
As long as you're on your knees  
And she's not on her back  
Oh yeah yeah yeah

Avenue Atlantico  
Seventeen-o-two  
She's cocoa butter  
Baby, she's the glue

She's got the baby at her breast  
She knows big girls are best

Oh mama ma  
Sexy mama ma  
Oh mama ma  
Sexy mama ma

I'm gonna change like the weather  
Hot to cold  
Oh yeah yeah yeah  
She keeps it all together  
She's got the motherload  
Oh yeah yeah yeah

She feels it  
Every sensation  
She's got a smile  
Like salvation  
She's got a baby at her breast  
She knows big girls are best

Oh mama ma  
Sexy mama ma  
Oh mama ma  
Sexy mama ma

She's elliptical  
Also political  
All so spiritual

Not superficial  
Yeah, she's tropical  
Yes, she's illogical  
Those little girls are a pest  
Big girls are the best

Oh Oh Oh  
Baby

As long as the night is coloured  
Blue and black  
Oh yeah yeah yeah  
As long as you're on your knees  
And she's not on her back  
Oh yeah yeah yeah

She can taste every sensation  
She's got a smile  
Like salvation  
A baby at her breast  
She walk like she talk  
Big girls are best

Big Girls

Oh mama ma  
Sexy mama ma  
Oh mama ma  
Sexy mama ma
