See the sunrise over her skin  
Don't change it.  
See the sunrise over her skin  
Dawn changes everything, everything.  
And the delta sun  
Burns bright and violent.

Mississippi and the cotton wool heat  
Sixty-six - a highway speaks  
Of deserts dry  
Of cool green valleys  
Gold and silver veins  
All the shining cities  
In this heartland  
In this heartland  
In this heartland.  
Heaven knows  
This is a heartland.  
Heartland, our heartland.

See the sunrise over her skin  
She feels like water in my hand  
Freeway, like a river  
Cuts through this land  
Into the side of love  
Like a burning spear  
And the poison rain  
Like dirty tears  
Through the ghostranch hills  
Death Valley waters  
In the towers of steel  
Belief goes on and on  
In this heartland  
In this heartland  
In this heartland  
Heaven knows  
This is a heartland.
