I've got you under my skin
I've got you deep in the heart of me

So deep in my heart,
you're really a part of me
I've got you under my skin

I've tried so not to give in
I've said to myself this affair
never will go so well

But why should I try to resist,
when baby will I know so well
That I've got you under my skin

I'd sacrifice anything come what might
For the sake of having you near
In spite of a warning voice
that comes in the night
And repeats and shouts in my ear

Don't you know blue eyes,
you never can win
Use your mentality, wake up to reality

But each time I do, just the thought of you
Makes me stop before I begin
'Cause I've got you under my skin

(instrumental)

I'd sacrifice anything come what might
For the sake of having you near

In spite of a warning voice
that comes in the night
And repeats and shouts in my ear

Don't you know you fool,
you never can win
Use your mentality, wake up to reality

But each time I do, just the thought of you
Makes me stop before I begin
'Cause I've got you under my skin
And I love you under my skin
