Start spreading the news
I'm leaving today
I want to be a part of it

New York, New York

These vagabond shoes
are longing to stray
Right through the very heart of it

New York, New York

I want to wake up in a city
that doesn't sleep
And find I'm king of the hill
top of the heap

These little town blues
are melting away
I'm gonna make a brand new start of it
in old New York

If I can make it there,
I'll make it anywhere

It's up to you
New York, New York
New York
