Is it getting better, or do you feel the same?  
Will it make it easier on you, now you got someone to  
blame?  
You say one love, one life, when it's one need in the  
night.  
One love, we get to share it  
Leaves you baby if you don't care for it.

Did I disappoint you or leave a bad taste in your mouth?  
You act like you never had love and you want me to go  
without.  
Well, it's too late tonight to drag the past out into the  
light.  
We're one, but we're not the same.  
We get to carry each other, carry each other... one

Have you come here for forgiveness,  
Have you come to raise the dead  
Have you come here to play Jesus to the lepers in your  
head  
Did I ask too much, more than a lot  
You gave me nothing, now it's all I got.  
We're one, but we're not the same.  
Well, we hurt each other, then we do it again.

You say love is a temple, love a higher law  
Love is a temple, love the higher law.  
You ask me to enter, but then you make me crawl  
And I can't be holding on to what you got, when all you  
got is hurt.

One love, one blood, one life, you got to do what you  
should.  
One life with each other: sisters, brothers.  
One life, but we're not the same.  
We get to carry each other, carry each other.  
One, one.
