Heaven on Earth  
We need it now  
IÂ´m sick of all of this hanginÂ´ around  
Sick of sorrow  
Sick of pain  
Sick of hearing again and again  
That thereÂ´s gonna be  
Peace on Earth

Where I grew up  
There werenÂ´t many trees  
Where there was, we teared them down  
And use them on our enemies  
They said that what you mock  
Will surely overtake you  
And you become a monster  
So the monster will not brake u

ItÂ´s already gone to far  
Who said that if you go in hard  
You wonÂ´t get hurt

Jesus, could you take the time  
To throw a drowninÂ´man a line  
Peace on Earth  
Tell the ones who hear no sound  
Whose sons are livinÂ´ on the ground  
Peace on Earth  
No whos or whys  
No one cries like a mother cries  
For peace on Earth  
She never got to say goodbye  
to see the colour in his eyes  
Now heÂ´s in the dirt  
ThatÂ´s peace on Earth

TheyÂ´re reading names out over the radio  
All the folks the rest of us wonÂ´t get to know  
Sean and Julia, Gareth, Ann and Breda  
Their lives are bigger than any big idea

Jesus, could you take the time

To throw a drownin' man a line  
Peace on Earth  
Tell the ones who hear no sound  
Whose sons are livin' on the ground  
Peace on Earth

Jesus, this song you wrote  
These words are stickin' in my throat  
Peace on Earth  
Hear it every Christmas time  
But hope and history won't rhyme  
So what's it worth?  
Is peace on Earth

Peace on Earth  
Peace on Earth  
Peace on Earth
