Iâ€™m not afraid of anything in this world
Thereâ€™s nothing you can throw at me that I havenâ€™t
already heard
Iâ€™m just trying to find a decent melody
A song that I can sing in my own company

I never thought you were a fool
But darlinâ€™, look at you oh oh
You gotta stand up straight
Carry your own weight
These tears are going nowhere
Baby

Youâ€™ve got to get yourself together
Youâ€™ve got stuck in a moment and now you canâ€™t get
out of it
Donâ€™t say that later will be better
Now youâ€™re stuck in a moment
And you canâ€™t get out of it

(people talkinâ€™)

I will not forsake, the colours that you bring
But the nights you filled with fireworks
They left you with nothing
Iâ€™m still enchanted by the light you brought to me
I still listen through you ears, and through your eyes I
can see

You are such a fool
To worry like you do oh oh
I know itâ€™s tough, and you can never get enough
Of what you really donâ€™t need now... my oh my

Youâ€™ve got to get yourself together
Youâ€™ve got stuck in a moment and now you canâ€™t get
out of it
Oh love, look at you now
Youâ€™ve got stuck in a moment and now you canâ€™t get
out of it

I was unconscious, half asleep

The water is warm 'till you discover how deep
I wasn't jumpin'..for me it was a fall
It's a long way down to nothin' at all

You've got to get yourself together
You've got stuck in a moment and now you can't get
out of it
Don't say that later will be better
Now you're stuck in a moment
And you can't get out of it

And if the night runs over
And if the day won't last
And if your way should falter
Along the stony pass

And if the night runs over (And if, and if the night runs
over)
And if the day won't last (And if the day won't last)
And if your way should falter
Along the stony pass
It's just a moment
This time will pass
