Uno, dos, tres, catorce

(Turn it up loud, captain)  
Lights go down, it's dark  
Your jungle is your head  
Can't rule your heart  
A feeling so much stronger than  
I thought your eyes are widened  
Though your soul, it can't be bought  
Your mind can wander  
Hello, hello (hola!)  
I'm at a place called vertigo (dÃ³nde estÃ¡i)  
It's everything I wish I didn't know  
Except you give me something  
I can feel  
Feel  
The night is full of holes  
There's bullets ripping sky  
Of ink, with gold  
They twinkle as the boys  
Play rock and roll  
They know that they can't dance  
At least they know  
I can't stand the beats  
I'm asking for the check  
Girl with crimson nails  
Has Jesus 'round her neck  
Swinging to the music  
Swinging to the music  
Hello, hello (hola!)  
I'm at place called vertigo (dÃ³nde estÃ¡i)  
It's everything I wish I didn't know  
But you give me something  
I can feel  
Feel  
(Check it)  
(???)  
(???)  
All of this  
All of this can be yours  
All of this  
All of this can be yours

All of this  
All of this can be yours  
Just give me what I want  
And no one gets hurt  
Hello, hello (hola!)  
We're at a place called vertigo (dÃ³nde estÃ¡i)  
Lights go down and all I know  
Is that you give me something  
I can feel your love teaching me how  
Your love is teaching me how  
How to kneel  
Kneel  
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah
