And love is not the easy thing
The only baggage you can bring...
Love is not the easy thing
The only baggage you can bring
is all that you can't leave behind

And if the darkness is to keep us apart
And if the daylight feels like it's along way off
And if your glass heart should crack
And for a second you turn back
Oh no, be strong

Walk on, walk on
What you got they can't steal it
No they can't even feel it
Walk on, walk on
Stay safe tonite

You're packing a suitcase for a place none of us has
been
A place that has to be believed to be seen
You could have flown away
As singing bird
in open cage
Who will only fly, only fly for freedom
Oh, oh

Walk on, walk on
What you got they can't steal it
No they can't even feel it
Walk on, walk on
Stay safe tonite

And I know it aches
And your heart it barks
And you can only take so much
Walk on, walk on

Home...hard to know what it is if you never had one
Home...I can't say where it is but I know I'm going
home
That's where the hurt is

I know it aches
How your heart it brakes
and you can only take so much
Walk on, walk on

Leave it behind
You've got to leave it behind
All that you fashion
All that you make
All that you build
All that you brake
All that you measure
All that you steal
All that you can leave behind
All that you reason
All that you sense
All that you speak
All you dress
All that you scheme
