When you look at the world  
What is it that you see?  
People find all kinds of things  
That bring them to their knees  
I see an expression  
So clear and so true  
That it changes the atmosphere when you walk into the  
room

So I try to be like you  
Try to feel it like you do  
But without you it's no use  
I can't see what you see  
When I look at the world

When the nite is someone elses  
And you're trying to get some sleep  
When your thoughts are too expensive  
To ever want to keep  
When there's all kinds of chaos  
And everyone is talkin' lame  
You don't even blink, do u  
Or even look away

So I try to be like you  
Try to feel it like you do  
But without you it's no use  
I can't see what you see  
When I look at the world

I can't wait any longer  
I can't wait 'till I'm stronger  
Can't wait any longer  
To see what you see  
When I look at the world

I'm in the waiting room  
Can't see for the smoke  
I think of you and your holy book  
While the rest of us choke

Tell me, tell me, what do you see?

Tell me, tell me, what's wrong with me
