"Wild Honey"

In the days
When we were swinging from the trees
I was a monkey
Stealin' honey from a swarn of bees
I could taste, I could taste you even then
And I would chase you down the wind

You could go there if you please
Wild honey
And if you go there, go with me
Wild honey

Did I know you?
Did I know you even then?
Before the clocks kept time
Before the world was made

From the cruel sun
You were shelter
You were my shelter and my shade

If you go there with me
Wild honey
You can do just what you please
Wild honey
Yeah, yust blowin' in the breeze
Wild honey
Wild, wild, wild

I'm still standin'
I'm still standin' where you left me
Are you still growin' wild
With everything tame around you?

I send you flowers
Cut flowers for your hall
I know your garden's full
But, is there sweetness at all?

oh oh oh

If you go there, go with me

Wild honey
Won't you take me, take me please
Wild honey
Yeah, swinging through the trees
Wild honey
Wild, wild, wild
