My brother dies and left me  
My Mother moved away  
and I been gone now for so long  
How long I cannot say  
and I am left to wonder  
What I'm doing here  
Guess I got to pay for  
the sins of all my years  
I got to pay  
for the sins  
of all my years  
I been talking to the lord  
Sweet Jesus let me be  
and please keep the devil  
far away from me  
Cause I have outrun my fears  
Guess I got to pay for the sins of all my years  
But I won't be afraid  
and I will find a way  
No, I won't be afraid  
of the sins of all my years  
If I should live to be half a century  
is there a way that I can pay and  
live forever free cause  
my spirit is breaking  
There's not much fight left here  
Guess I got to pay for the sins of all my years  
But I won't be afraid and I will find a way  
No no I won't be afraid if I have to  
Pay and pay  
If I have to pay and pay and pay  
for the sins of all my years
